

TamilNadu Bharat Petroleum Dealer Association

Few noted points of our AGM in Yercaud....

Stalls from SBI regarding EDFs, Tanker from TATA motors, Solar panels Air gauge and Uniform are displayed with offers. Our views and problems have been discussed and listed in our EC meeting and taken up to our State head Mr. Pandian who attended the meeting.

1. He first expressed his happiness regarding our performance in growth of both MS & HSD.
2. He has given the assurance of clearing the pending dues of bills in due time (stamping, Uniform and so.....).
3. Exchange the views on electric vehicles and bio diesel conversion.
4. Exchanged the views on the relationship between dealers and company officials. He was very open and asked to contact him if needed (any important) He wants to clear the gap between official and dealers.
5. He explained about FMS which was implemented to check and clear all the electrical problems in our RO'S.
In this facility a vendor will check the earthing, stabiliser, UPS, Panels & so in our RO and clear the problems. UPS battery will also be replaced with date sticker fixed on the battery. 3 years once battery will be replaced. Canopy will be cleaned once in a year. He told that a separate meeting will be organised to educate all about FMS.
6. In automated outlets, all please be aware that without a record permission (mail or letter from official) don't fuel in manual mode.
7. RSP delays will be cleared and all please make up at 6am without any delay.
8. E locking of tanker will be executed (at present in project basis).
9. Any reconstitution needed, he asked to contact respective Territory Manager which will be done in 15 days course of time.
10. New facilities will be initiated in Rural RO'S which is now in Pilot study.
11. 2007 before model MPD will be replaced by new one in due course of time.
12. SBI tie up with BPCL offering a 4.75% cash back fueling with their cards.

We can't explain as reality. Maybe many left out points. Those who have not attended are no doubt a missed out one. Thanks one and all
